POST-TREATMENT CARE

Your Skin. Your Confidence.

Your UltraSculpt treatment is complete. Follow these simple recommendations to support your skin and maintain a consistent skincare routine.

01 HYDRATE

Keep your skin and body hydrated.

Drink water regularly throughout the day to support your overall wellness and healthy-looking skin.

02 MOVE

Stay active. Feel your best.

Enjoy 30 minutes of light activity, such as walking, to support circulation and overall well-being.

03 NOURISH

Support your skin from within.

Maintain a balanced diet with adequate protein, vitamins and nutrients to support normal skin health.

04 REPLENISH

Continue your skincare ritual.

Use your recommended UltraSculpt serum as directed to complement your skincare routine.

05 PROGRESS

Your skin. Your journey.

Visible improvements may be noticed after one session.
